Submission & Grading Policies

- All labs must be submitted via GitHub Classroom.
- Late submissions are allowed, but your final score will be reduced by **5%** for each **3-hour window** following the due date.
- Grading is based on **final commit**. Be extremely cautious about committing after the deadline, as it will trigger the late penalty.
- Failure to submit **2 or more projects** will result in an automatic **F** grade.
- Any form of **plagiarism** or **AI-generated code** will be treated as a **non-submission** and lead to **severe penalties**.
